

'The Right Combination'

PTA® and S.A.F.E. TEAM®

The mission of the PTA® is to be a powerful voice for all children, a relevant resource for families and communities, and a strong advocate for the education and well-being of every child.

S.A.F.E. TEAM® supports PTA®'s mission and brand value by:

Increasing Family Involvement:

Through experience, the S.A.F.E. TEAM® understands the priorities for success needed to actively involve families. The S.A.F.E. TEAM® helps PTA® reach and include its family members who are not yet engaged and provides a way to increase and track volunteer hours per family member.

Increasing membership within local school PTA®'s:

As family members commit to the S.A.F.E. TEAM® program, each of them will be exposed to your PTA®'s needs. When family members learn the importance of and experience taking part in the PTA®'s mission, your local schools are more likely to reach their membership and involvement goals.

Increasing the number of PTA® schools in Communities and New Markets

PTA®'s promotion of the S.A.F.E. TEAM® will provide an entry level program to develop relationships with families in new school markets. After engaging families in the vision for personal responsibility, safety, and education, your PTA® will be in a position to present their value and assist in developing a PTA® in every school.
