

'The Right Combination'

SROs and S.A.F.E. TEAM®

The School Resource Officer Program is a collaborative effort by law enforcement officers, educators, students, parents and the community to reduce crime, drug abuse, violence and provide a safer school environment.

S.A.F.E. TEAM® supports School Resource Officers as they provide a safer school environment by:

Increasing Family Involvement:

Through experience, the S.A.F.E. TEAM® understands the priorities for success needed to actively engage families. The S.A.F.E. TEAM® helps SRO's build effective community and family partnerships. It provides a way to increase communication and networking between schools and families.

Reinforcing the SRO's Mission:

Engaging families in a S.A.F.E. TEAM® program allows for a school climate with increased personal responsibility, safety and academic support. The S.A.F.E. TEAM® program makes it easy to share your SRO's vision with volunteering parents, grandparents, etc. so it can be reinforced at school AND home.

Working as Partners:

As family members volunteer for their school's S.A.F.E. TEAM® program, they will have the opportunity to work alongside their SRO. Together, they will lead by example in a safe and secure learning environment for the students, faculty and staff at their school while promoting a positive image of law enforcement to our nation's youth.
